

LEAK DIVERTER TARPS

INDUSTRIAL TEXTILE PRODUCTS & MORE...SINCE 1948

Have a leak?

Contain overhead leaks – ensure dry floors and safe work environment.

Roof Leak Diverters are a convenient, cost effective way to control overhead leaks or spills until they can be fixed.

Catch leaks from:

- Roofs
- Overhead water and sprinkler piping
- Equipment, machines, and hydraulics

Divert leaks away from VALUABLE electrical systems, machinery, equipment, computers, furniture and inventory.

Keep floor space and traffic areas DRY

Avoid accidents by keeping workers and customers SAFE.

- Keep leaks Contained -
